Education

Institute of Business Administration (IBA), Karachi: BBA, Marketing, August 2023 – June 2027
Relevant courses: Tech Product Marketing, Tech Product Development, Marketing Analytics, Machine Learning, Product Analytics.

Experience

10Pearls, Karachi: Marketing Automation Associate, Feb 2026 – May 2026

- Built and maintained marketing automation workflows in HubSpot and n8n, connecting lead capture, enrichment, lifecycle emails and CRM handoffs to cut manual work for the marketing team.
- Designed and shipped an internal SEO content application for article writing, integrating Ahrefs keyword recommendations and competitor research into a single drafting workflow.
- Developed a keyword cannibalization checker that flags overlapping search intent against existing pages before publishing, protecting rankings on priority topics.

Leasap.com, Remote (USA): Business Development Intern, Oct 2025 – Jan 2026

- Outbound business development and partnerships research across U.S. MLS organizations, proptech founders, real estate operators and data vendors to support early GTM efforts.
- Built and managed structured outreach pipelines in LinkedIn Sales Navigator targeting VC partners, real estate coaches, brokers, property managers and potential customers.
- Researched and tracked accelerator, incubator and investor programs in a centralized funding master sheet, targeting 1–2 applications per week.

Sadiq.ai, Karachi: Product Marketing Associate, Jun 2025 – Sep 2025

- Used Amplitude to boost onboarding, retention and feature adoption across web and mobile.
- Produced pitch decks, sales enablement assets and user research insights to support platform monetization.
- Created whitepapers and case studies positioning Sadiq.ai as a growth partner for online sellers.
- Launched performance-driven B2C Meta ad campaigns, reducing customer acquisition cost by 72%.

Invest2Innovate (i2i), Karachi: Marketing Associate, Feb 2025 – May 2025

- Designed and ran LinkedIn and Instagram campaigns for i2iScale targeting founders and LPs.
- Increased program awareness by 40% through reels, carousels and storytelling assets.
- Led campaign reporting, performance analysis and stakeholder alignment across 3 concurrent initiatives.

Certification

Google Data Analytics Specialization (Google via Coursera): analytics lifecycle, SQL, R, spreadsheets, Tableau.

Extracurricular

IBA Animation and Pop Culture Society: Marketing and Outreach Manager

- Secured $7,000+ in sponsorship funding through 15+ tailored partnership proposals.
- Drove 1,500+ follower growth in six months with $300 monthly campaigns and targeted content.
